CHOCHO

## WHY CHOCHO MATTERS

### **CHOCHO IS THE NUTRITIONAL CENTER OF INTI SOMOS.**

An ancestral Andean plant-based ingredient with high protein, zero cholesterol, fiber, minerals, and versatile shelf-stable applications across modern food formats.

#### **54% PROTEIN**

Chocho has one of the highest protein contents compared to other foods such as beef and eggs.

#### **ZERO CHOLESTEROL**

Chocho contains 0 cholesterol.

#### **FIBER + MINERALS**

Rich in fiber and essential minerals, supporting digestion and overall nutritional balance.

#### **CHOCHO PRODUCT FAMILY**

Chocho is used across a range of products, including freeze-dried chochos, puffs, chocolate-covered chochos, preserved chochos with chili, and pancake mix.

#### **SNACK ANCHOR**

Chocho puffs are a ready-to-eat, crunchy snack with high protein per serving.

#### **SHELF-STABLE FORMATS**

Long shelf life formats that simplify storage, distribution, and global commercialization.

CHOCHO BRINGS PROTEIN, VERSATILITY, AND SHELF-STABLE FORMATS INTO ONE ANDEAN INGREDIENT PLATFORM.
